PETITION FOR EXPEDITED FOREIGN FILING LICENSE

Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

A foreign filing license is requested for the above-identified application, pursuant to 37 C.F.R. 5.12. For the convenience of the Licensing and Review Section and so that the application can be reviewed on an expedited basis, a copy of the materials as filed on June 20, 2000 is included herewith. In particular, the materials attached hereto include a copy of the application, as filed, including 12 pages of specification, claims and abstract, 3 sheets of drawings, an unexecuted Declaration and Power of Attorney, a Utility Patent Application Transmittal, a Fee Transmittal, and a Cover Letter.

Pursuant to 37 C.F.R. 5.12, expedited handling of this petition is requested. In this regard, the \$130.00 fee (37 C.F.R. 1.17(h)) for expedited handling of this petition is included. Further, the Commissioner is authorized to charge any additional fee required for acceptance of this petition to Deposit Account No. 19-0089.

This license empowers the filing, the causation and the authorization of the filing of a foreign application or applications on the subject matter identified above, subsequent forwarding of all duplicate and formal papers and the prosecution of such application or applications.

This license is granted under 37 CFR 5.15(a)

This license is to be retained by the licensee and may be used at anytime on or after the date thereof.
This license is not retroactive unless specifically indicated.

The grant of this license does not in any way lessen the responsibility of the licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations, especially with respect to certain countries, of other agencies, particularly the Department of the Treasury; Office of Munitions Control, Department of State (with respect to Arms, Munitions and Implements of War); the Bureau of Trade Regulation, Office of Export Administration, Department of Commerce; and the Department of Energy.
